RE: Approval of Final Phase I Pilot Well Plan

Dear Mr. Fowler:

Ecology and EPA have reviewed the above stated plan and the response to comments letter as prepared by Landau Associates, dated January 16th and 15th, 1990 respectively. The Phase I Pilot Well Plan is hereby approved. I hope that our expedited review of the plan will allow you to keep the drillers drilling and to keep the project on schedule. I had given Larry Beard verbal approval of the plan before I left (b) (6)
